The Croquet Association

The Croquet Association is the national organisation for croquet. It works with other national croquet organisations to determine the rules of the game which are accepted worldwide. Under its auspices, national and international competitions take place regularly.

There are about 200 croquet clubs in Britain registered with the Croquet Association. They run over 200 croquet tournaments every summer, open to any members of the CA. The clubs also run competitions and provide coaching for their own members.

Croquet is.....

An enjoyable game for the whole family. It is a combination of skill and tactics. In Association Croquet the objective is to play a succession of shots to get your ball through as many hoops as possible in a continuous break. In Golf Croquet each player in turn tries to get his ball through the hoop with a single shot before all moving on to the next hoop. The handicapping system allows players of all abilities to compete on equal terms.

Where to see it played

Croquet is played regularly at most clubs listed in this leaflet. Competitions can be seen, mainly at weekends, particularly at the larger clubs, Colchester, Hunstanton, Ipswich, Letchworth, Newport, Northampton, Watford and Wrest Park. The dates and times can be obtained by contacting the clubs concerned.
