Outline:

The tournament is a team competition between the six counties comprising the E.A.C.F., taking place over a single day and including singles and doubles games for all players. All games will be level play.

Team Composition:

Each team will comprise four (4) players with a total aggregate handicap not less than 6 (as at 1st May). The Team Captain will designate which players will play as doubles pairs during the first five rounds (see Format). Pairings may not thereafter be changed.

Note: the New GC Handicap Trial will apply when calculating the team aggregate handicap, and to all Singles games.

Format:

Each team will play a match against each other over the first five rounds (i.e. one American Block). A Match will comprise two (2) singles Games and one (1) doubles.

In the first round a team may elect to allocate players in any role (singles or doubles) irrespective of handicap.

In the second round the singles/doubles roles will be reversed.

In the third round roles will revert to those of the first round etc.

e.g. Round 1 A1 v B1; A2 v B2; A3/A4 v B3/B4
Round 2 A3 v C3; A4 v C4; A1/A2 v C1/C2
Round 3 A1 v D1; A2 v D2; A3/A4 v D3/D4 etc.

(Thus, after five rounds each player will have played either 3 singles and 2 doubles or 2 singles and 3 doubles).

On completion of the Block Phase the three leading teams will qualify for the sixth “Gold Medal Round”. The leading teams will be decided on Match wins with any tie being resolved by “who-beat-whom”.

“Gold Medal Round”.

Each team will carry forward Games won (each Game scoring a single point).
